

On-line Gradebook

Starting the New Year Right

Tips:

How to Log In:

1. Log in to the On-line Gradebook through the Dysart Toolkit in the Start Menu.
2. A. Use your teacher number as your Username. If you do not know your teacher number, contact the DRT in your front office.
B. The first time you log in, you will leave your password blank.
C. Next, select your school and click Logon.
D. The next screen will allow you to create a password of your choice.

Guidelines:

- Gradebooks must be updated by 5 pm every Wednesday.
- Attendance must be taken within the first 10 minutes of class.
- Each assignment must have at least one objective
- If a course has weighted grades the weights must be the same for all teachers within the school for that grade level and course.
- Categories and weights must be set up within the first 9 weeks and cannot be changed after the first report card.

 Your password has not been set. Please take a moment to create a password to protect your data.
