Dear West Point Parents and Community,

I wanted to thank all of our community members for their continued support during this school year. West Point is making strides towards our school goals that were defined at the beginning of the 2009-2010 school year. I wanted to use this forum to address a matter that has begun to effect the overall functioning of our school. On a daily basis West Point has 1000 students that arrive and dismiss and this procedure has become more of a challenge for our school staff to manage due to the improper flow of vehicles in our parking lot. Please be part of the solution by following the established guidelines for our arrival and dismissal:

- 1. Please have your child exit your vehicle only on the sidewalk in the front of the school building.**
- 2. All traffic must proceed through the orange cones, unless you are parking your vehicle and escorting your child into the school building.**
- 3. No vehicles should be stopping in front of the handicap parking area to drop off or pick-up children.**
- 4. Please do not have your child walk through the parking lot unattended.**
- 5. All children must cross the parking lot in the crosswalk.**
- 6. Please do not stop your vehicle near the white barricades to drop off or pick-up your child.**
- 7. The bus loop is for DUSD buses only and private vehicles in the bus loop will be ticketed.**
- 8. Please do not use the dirt lot on the west side of our school for dropping off or picking up your child.**

Thank you for your attention to this very important matter and please contact me if you have any additional questions.

Best Regards,

Christopher Kieffer  
Principal, West Point Elementary
