## **WHAT IS PTO?**

---

PTO stands for Parent Teacher Organization. The PTO consists of both parents and teachers who volunteer their time to enhance the educational experience of every child in our school. We are an independent non-profit organization and because we are a PTO all of the funds we raise stay at our school.

## **OUR VISION**

---

Strengthen our school and community by building relationships thru communication, volunteers, and fundraising. To meet the needs of our students and teachers by raising money for curriculum enrichment and classroom support.

## **HOW CAN I JOIN PTO?**

---

Joining PTO is very easy. Just fill out a membership form and turn it in along with your \$5.00 membership fee to the front office. Membership forms can be found on our website or in the front office.

## **WHAT HAPPENS AFTER I JOIN PTO?**

---

When you become a member of PTO, you become a voice in making decisions for your child's school! It is up to you how much support you want to give. Volunteering doesn't mean huge time commitments. It could be food donations for a specified activity. We have tasks that can be performed in the evenings, during the day or in the comfort of your home. Without volunteers, we could not be a success!
