TIPS FOR A GREAT PORTRAIT

- Don't wear white. Bright colored clothing photographs the best!
- Dress up in your own style. (Double-check to see if it's a non-uniform day, and clothing is school appropriate.)
- Bring a prop with you, something that shows your personality. (Please make sure all are school acceptable and appropriate.)
- Our professional photographers are ready to let you EXPRESS YOURSELF, pose how you want!

HERE'S HOW IT WORKS:

- 1.) Grads Photography will take your portraits on the picture date listed above. (You do NOT need to bring money on picture day.)
- 2.) About 1 week after picture day, you will receive an order form with proofs of your photographs taken.
- 3.) Please complete your order form, enclose payment and return the envelope section to the school **prior** to the date listed on the form.
