Minutes were read from the past two meetings to bring new members up to date as to items that were passed.

New Business:

Monica Chagolla presented an application for creating a Choir Club. Her funding request for sheet music was not exceed \$150.00, adding salary the request totaled \$810.00. Joe Carucci made the motion to approve the application, second by Pat Murano. In discussion it was established that she

should charge what other clubs have been charging, which was \$5.00 for membership to the club. The motion passed.

Darlene Roach was not in attendance so Paul Custer read her application for creating a Unity Club. The application was tabled for more detailed information.

Paul Custer, as Athletic leadership Chairman, made the request for funds to purchase new reversible soccer uniform jerseys for the girls and boys team. Because of the limited budget it was discussed that Site Council approve the purchase of thirty (30) uniforms, fifteen (15) for each team. The total cost was not to exceed \$750.00. Filmore Bender made the motion to approve the funding, second by Fran Sperling. The motion passed.

Paul Custer also asked for funding to purchase footballs for the coming season. It was discussed that we would hold off on this purchase until after the end of the year when more tax credit donations might be donated for athletics.

Adjournment:

The next meeting was set for November 12, 2009.

Fran Sperling made the motion to adjourn, second by Pat Murano.
