Dear Parents and Guardians,

With the adoption of our new grade book system, parents have the ability to access student grades, assignment summaries and information on missing assignments on-line at any time.

District practice is to send home progress reports to parents at the middle of each academic quarter. With the availability of the new **Pinnacle Parent Viewer**, you may not wish to receive the same information from us on paper.

To indicate your progress report preference, please check the appropriate box, sign and return this form to your child's teacher. Instructions on accessing the **Pinnacle Parent Viewer** are attached.

Sincerely,

Karen Winterstein

*I do not wish to have a copy of my child's progress report sent home. I intend on using the **Pinnacle Parent Viewer** to access my child's information for the 2008-2009 school year.*

Please continue to send paper progress reports home.
