# Parents and Guardians . . .

## Parent Teacher Organization Membership Form

When parents/guardians get involved in their children's education, it pays off. Research shows that children whose parents/guardians are actively involved are more likely to:

- Earn higher grades and test scores
- Adapt well to school
- Attend school regularly
- Have better social skills
- Show improved behavior

Help us and you'll help your children succeed at school! Please fill out the information below and complete the back of the page and let us know where you would like to get involved. We've listed an approximate amount of time each volunteer activity will take so you can plan ahead. Thanks for doing your part!
